

Annual Boiler Service Terms & Conditions

You have chosen to include an annual **boiler service** with **your** home emergency or home emergency and breakdown cover. The **boiler service** is a separate agreement but can be purchased alongside any of **our** insurance packages. This document outlines the terms of **our boiler service** agreement. **You** should read it carefully and keep it in a safe place for future reference.

Should **you** have any queries regarding **your** annual **boiler service** or any other services offered by Home Emergency Assist please contact **our** customer service department using the details provided in **your** insurance policy booklet.

HOW TO ARRANGE YOUR SERVICE

Arranging the **boiler service** is straight forward and can be done in 2 simple steps:

STEP 1:

Register **your boiler** details with **us**.

You can do this over the phone or by filling out the **boiler service** Registration Form enclosed within **your** policy documents.

Having correct information about **your boiler** is important so that **we** can send the right person with the right tools to complete **your boiler service**. Please note if **you** have not registered **your boiler** details with **us**, **we** may not be able to carry out the **boiler service** and **you** will not be eligible for a refund, however, **you** can contact **us** with **your boiler** registration details to arrange **your boiler service**.

STEP 2:

Our boiler service network will contact **you** to arrange an appointment.

We aim to complete **our boiler servicing** between April and September.

We will attempt to contact **you** up to three times to arrange **your boiler service**. If **we** are unable to make contact with **you** and therefore cannot complete **your boiler service**, **you** will not be eligible for a refund, however **you** can contact **us** to arrange **your boiler service**.

If **you** are unable to keep the arranged appointment **you** must notify **us** at least 48 hours in advance. Rearranging **your** appointment within 48 hours of the scheduled appointment and missed appointments will incur a 'missed appointment fee' of £50.

If upon attendance, the **boiler** is inaccessible, inoperable or displaying a fault, **we** will be unable to complete **your boiler service** but **you** will still be charged. Subsequent visits to service the **boiler** will be charged at the normal rate. **You** are required to notify **us** of any issues which will prevent the **boiler service** from being carried out as soon as possible and not less than 48 hours before **your** appointment so that it can be rescheduled.
